The Code Red 2005 The Code Red 2005 was a professional wrestling event produced by Extreme Championship Wrestling (ECW) that took place on May 25, 2005 at the Eastern Sports and Leisure Centre in Queens, New York. It was the eleventh annual event produced by ECW. The event featured eight professional wrestling matches, including one six-man match. The event featured several WWE employees in guest

appearances. The event was the first time in ECW's history that three wrestlers wrestled for the ECW World Heavyweight Championship, and the first time that the title changed hands at an ECW event since The Main Event II in November 2002. Dreamer was then shown wrestling with various ECW wrestlers, including Sandman, Raven and Tazz, before he slammed Raven through a table and pinned him to win the ECW World Heavyweight Championship at Hardcore Heaven. After the
