It's been in demand for quite a while, so we're happy to finally give it to you in abundance. Each component of this remarkably versatile instrument has an intricacy and a warmth and flexibility that will blow you away! Many deep studio tracks are used as the foundation of this voice, and we've even managed to squeeze in a choir, brass section, strings, percussions and a full orchestral section to give you a truly comprehensive instrument with different facets of your sonic palette. Soundiron is a leading provider of virtual instruments for music production, sound design, post-production and film scoring, with products for both Mac and Windows operating systems. We are proud that our products have been used on nearly 100 feature films and several hundred TV shows. Our goal has always been to provide the best possible virtual instruments, to help you create your best music. More information about the infrastructure we use to record, process and deliver these amazing productions is available in the 'Makers' tab on this page. If you have any questions or need help, please contact us at support@soundiron.com . Pauci Voces is an individual vocal collection featuring top quality vocal artists from all over the world. This collection contains 17 and hours of live human vocals, ranging from the highest female voices like Christina Aguilera, Mariah Carey, Celine Dion, Anna Netrebko, and Natalie Dessay, to the deepest male voices like Jurgen Wiech, Antonio Banderas, and Nico Muhly. The versatile library contains a wide selection of genres like Pop, Broadway, Musical Theatre, Opera, Italian, German, and more. The vocals have been recorded at a professional vocal mixing console, and each file contains a complete session file with comprehensive editorial tools as well as a folder of separate instrument & song stems with rich articulation options. Finally, all vocal files are keyed. The library comes with easy and straightforward access to the full solo vocal performance of each voice, offering versatile and customizable synthesis opportunities.
